Serial No.

In Public Works Secretary's letter No 2067/S dated 3rd April 1934, Sanction of Govt was conveyed for the construction of the main building for the Central Institute in Defectives at Salzore at an estimated cost of Rs 43 000, of which Rs 18,000 was ordered to be met from the Chattram Funds.

Savings

(1) The provision of Rs 18 000 proposed by the M.C in the Chattram Saving Funds Budget Estimates for 1934-35 for the above purpose, was also approved by Government in G.O. dated 10th May 1934. From the M.C's letter under disposal, it is seen that this amount was not utilised for the purpose during the year 1934-35.

E

(2) The Municipal Commissioner has stated

that the provision of Rs 15000 was not operated in the Budget Estimates of the above Fund for 35-36, as it was anticipated that the amount would be operated upon before the end of the June 1935. The Assistant Engineer, Mysore has now sent a bill for Rs 5500 to be placed at his disposal from the Chattram Savings Fund as the work has been completed. As there is no provision in this year's Budget and at the instance of the Comptroller the M.C requests sanction of Govt to meet the expenditure of Rs 5500 from the closing balance of the Chattram Savings Fund for 1934-35, which he apparently means to be 1935-36. (Rs 42,372)

4) A draft G.O. sanctioning this proposal is sent for orders.

According to Letter No. 2066/5 dated 3rd April 1934 of the Secretary to Govt., P.W.D., conveying sanction of Govt. to the construction of the Central Institute for Dyeing at Mysore at a cost of Rs 43,000, the cost of the building is to be met partly out of the donation of Rs 25,000 promised by Mr. R. N. Boyce,

Serial No.

an Excise contractor of Mysore and the remaining portion of the cost amounting to Rs 18,000 ~~was~~ is to be met out of a grant of that amount from the Chattram Savings Fund. It is not therefore clear under what authority the work was begun before Mr. R. N. Boyce's ~~contribution~~ was deposited in the Treasury. Nor has the Mysore Govt. ~~not~~ reported whether steps were taken to collect the contribution promised by Mr. R. N. Boyce. May the Secretary to Govt., P.W.D., be requested to note why the construction of the building was begun, ~~although~~ before the contribution promised by Mr. R. N. Boyce was collected and credited to the Treasury? May he and the Mysore Govt. be requested to report whether steps were taken to collect the contribution promised by Mr. R. N. Boyce. 8/ A sum of Rs 18.0 has sanctioned from the Chattrai Saving fund for the purpose. The Assistant Engineer is reported to have asked for a sum of Rs 5'500 being placed at his disposal from the Chattrai Saving Fund for the purpose as the work has been completed. This does not make the point clear whether against Rs 18 00 ordered to be ~~drawn~~ spent from the Fund, only Rs 5'500 is needed to be sufficient for the purpose and the balance of Rs 12.500 is not be required and drawn in future. At present it looks as though no amount has been drawn from the sanctioned portion of the Fund and Rs 5'500 is the only amount required for the purpose from the Fund.

9/35/11 In continuation of this office letter No. C.1342/33-34 dated 15/28th May 1934 addressed to the Financial Secretary to Government, on the above subject, I have the honor to state that the Assistant Engineer, Headquarter Range, Mysore, requested in his letter No.764 dated 6-11-1935 that a sum of Rs 5500/- may be placed at his disposal from the Chattram Savings as the work has been completed. A sum of Rs 18,000/- was provided in the revised budget of the Chattram Savings Fund of 1934-35, and it was not repeated in the budget of 1935-36 as it was anticipated at the time of preparing the budget for 1935-36 that the amount would be operated upon before the end of June 1935. The bill for Rs 5500/- sent to the Comptroller for audit has been returned with the observation that sanction of Government is necessary as there is no provision in this year's budget. I request that sanction of Government may be obtained to pay a sum of Rs 5500/- from the closing balance of the Chattram Savings Fund for 1934-35.
